## Former New England Rare Coin Auction Coins

\_\_\_\_\_ 447 \*\*\* *The following lots (448-478) are all from various New England Rare Coin auctions (NERCA) in 1981. All coins are in their auction soft plastic flips. As such, each piece exhibits little to significant PVC contamination, Most coins are high quality Gems. All need proper conservation. Any coin or group sold to an absentee bidder may not be returned under any circumstances. For those not active 40+ years ago, NERCA was a major force in the numismatic world. They conducted many high quality auctions. We've graded the coins as if there was no PVC present.* \*\*\*

# TERMS AND CONDITIONS OF SALE

1. This is a public auction, including absentee bids, conducted by Centennial Auctions ("Centennial"). Centennial is operated by Scofield Auctions, Inc. The principal auctioneer is Stephen H. Schofield, NH #2272.
2. All floor bidders must register with the clerk and receive a bidder number.
3. A **Twenty Percent (20%) Buyer's Premium** will be added to the hammer price of each lot and shall be paid by the buyer as part of the purchase price.
4. Bids are conducted by numbered lot and no lots shall be broken. All bidders are urged to closely inspect each lot of interest.
5. Centennial sells at a rate of approximately two hundred (200) lots per hour. If you are attending in person, plan your bidding accordingly.
6. Centennial is not responsible for any errors in bidding. Bidders are responsible for bidding on the correct lot numbers; please reference the auction catalog to avoid any confusion.
7. The auctioneer reserves the right to withdraw any item before or during the sale, to regulate the bidding, to bid on behalf of the owner, to combine lots, and to accept or reject any and all bids.
8. Centennial reserves the right to postpone the auction. There shall be no recourse as a result of any such postponement.
9. The record of the sale kept by Centennial will be taken as final in the event of any dispute.
10. Non-certified items are graded by Centennial using *Photograde*, *American Numismatic Association Grading Standards*, and over 65 years of experience. Centennial recognizes that opinions on grading may differ and that grading is not an exact science. Certified items may not be returned because of possible differences of opinion with respect to grade.
11. Centennial guarantees that all cataloged items are authentic, unless noted otherwise.
12. Upon the fall of the hammer, or when the Auctioneer says "sold," title to the property shall pass to the highest bidder. The auctioneer shall have sole discretion in deciding the successful bidder in the event of a bidding dispute. Auctioneer's determination of the successful bidder shall be final.
13. All floor purchases must be paid in full and removed from the premises on the day of sale. Payment shall be in cash, bank or traveler's checks, wire transfers, Visa, MasterCard, or Discover Card. Credit card charges will be limited to Ten Thousand Dollars (\$10,000.00). Personal checks may be acceptable if credit has been established with Centennial prior to sale. Centennial reserves the right to hold merchandise purchased by check until funds are collected. All dollar amounts shall be referenced and paid in the legal tender of the United States of America.
14. Centennial charges Thirty Dollars (\$30.00) for returned checks. Anyone passing a bad check will be prosecuted to the fullest extent of the law. Buyer agrees to pay any and all charges and expenses incurred, including, without limitation, reasonable collections, and/or attorneys' fees.
15. Absentee bid sheets must be signed and dated. Unsigned bid sheets are invalid and bids will not be executed. Frivolous bids, not remotely commensurate with value, will be rejected. Internet absentee bidding closes at Noon Eastern time, on the day prior to the auction.
16. Absentee bids shall be executed competitively against other bidders. **Absentee bidders may bid in whole dollars only.** Any absentee bids that do not conform to the auctioneers' increments, shall be rounded down to the nearest conforming bid, e.g. an absentee bid of \$92.00 would become \$90.00. Bidding increments are dependent upon lot valuation and the auctioneer's right to regulate the bidding.
17. Absentee bids are recorded in the order received. When identical bids are tendered, the earliest postmark or lot viewing date takes precedence. Floor bids, at the discretion of Centennial, may take precedence over absentee bids. Phone bidding must be pre-arranged at least forty-eight (48) hours prior to the auction.
18. Any shipping, handling, and insurance charges are the buyer's responsibility and shall be paid by each absentee bidder. **We ship USPS unless other arrangements are made.** Minimum shipping charge is Five Dollars (\$5.00). Prices may be adjusted in accordance with the size, weight, value, and quantity of lots purchased. Purchased items shall be shipped within two (2) business days of the receipt of guaranteed funds. Personal checks must clear before shipment is made. Third party checks are not acceptable for payment of an absentee bidder's invoice.
19. Successful absentee bidders will be invoiced no later than two (2) business days after the auction. **Payment is due upon receipt of invoice.** Invoices not paid within seven (7) business days of receipt of invoice will be considered delinquent. Delinquent payment will negate return privileges.
20. **Lots marked with NR after the description are SOLD AS IS- NO RETURNS, NO EXCEPTIONS.**
21. Property shall be displayed for thorough public inspection and sold as is, where is, and without recourse for any refund or reduction of the sale price for either floor bidders or absentee bidders who have previewed the auction lots. The only exceptions are lots where winning bidders have a question as to the authenticity of any portion of the lot.
22. Within three (3) days of receipt of goods, absentee bidders, who have not previewed lots, who wish to return any lots, must contact Centennial by telephone. **Failure to call will negate any and all return privileges.**
23. Returns must be made within:
  - a. Twenty (20) days of the auction for absentee bidders (who have not previewed lots).
  - b. Seven (7) days of the auction for floor bidders (for reasons of authenticity only).
  - c. All items must be in the original auction lot holder unless submitted to a third party for grading. Any and all costs related to third party grading or authentication services is exclusively the buyer's responsibility. If returns will take more than the time specified above, alternative arrangements must be made with Centennial prior to the deadline. **Under no circumstances will a refund be given if a lot is returned after the deadline without such notification.**
24. This auction is being conducted under appropriate state and local laws and the Uniform Commercial Code. Any additional terms or conditions of sale shall be announced prior to the auction. Bidding on any item indicates acceptance of these terms and conditions.
25. Venue and jurisdiction of all disputes: Any and all disputes which may arise by virtue of this auction sale or stemming from this auction sale shall be in the courts of New Hampshire.
26. The successful purchaser agrees to pay any and all reasonable attorneys' fees and costs incurred by the auction company, the seller and/or their assigns, agents or employees in the commencement or defense of any actions hereunder as well as in the collection of any obligation hereunder.
27. By attending an event, you are giving Centennial and its affiliates permission to use your photographic image for any purpose, including advertising and marketing campaigns. These images may be shared and stored on third-party platforms. Should you not wish to appear in any images, please notify the photographer at the event.
28. I agree to receive emails from Scofield Auctions, Inc. regarding upcoming auctions.
29. These terms and conditions of sale take precedence over any other published terms and conditions.
